Re: Applebaum v. Magonis US LLC et al.
24 Civ. 01861 (JHR)
Our file: 2780-001

Application GRANTED. Plaintiff Robert Applebaum's deadline to file a renewed motion for default judgment is extended to **June 25, 2025**. Future submissions must comply with the Court's Individual Rules and Practices in Civil Cases. *See, e.g.*, R. 2.E ("All requests for extensions of time . . . must be made not less than **two business days** before the scheduled deadline or date.").

The Clerk of Court is directed to terminate ECF No. 25.

SO ORDERED.

Jennifer H. Rearden, U.S.D.J.
Dated: June 18, 2025

Dear Judge Rearden:

We represent Plaintiff and write to respectfully request a one-week extension of time to file Plaintiff's renewed motion for default judgment, which is currently due to be filed tomorrow, June 18, 2025, as per the Court's recent order (ECF No. 24).

The undersigned received instructions today to handle an urgent new matter and as a result will be unable to complete work on the motion and the required memorandum of law by the current deadline. No prior extensions have been sought in this case, and no other deadlines or appearances are scheduled. Neither of the two defendants has made any appearance.

We very much appreciate the Court's consideration.

Respectfully,

PALMER BIEZUP & HENDERSON LLP
